

CONGRATULATING 100 YEAR ANNIVERSARY OF ROSECRANCE HEALTH NETWORK

HON. ADAM KINZINGER

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, February 24, 2016

Mr. KINZINGER of Illinois. Mr. Speaker, I rise today in celebration of the Rosecrance Health Network as they celebrate 100 years of serving children, adolescents, adults, and families in Northern Illinois and beyond.

In 1916, Dr. James Rosecrance kept the memory of his late wife, Franny, alive by creating the Rosecrance Memorial Home for Children at the couple's homestead in New Milford, Illinois. Incorporated by the state of Illinois as a home for children on August 11, 1916, the staff continued to care for needy children from New Milford and surrounding communities before expanding and relocating to Rockford, Illinois, in 1953.

Continually adapting to the changing needs of the community, in 1982, Rosecrance transformed into an innovative and groundbreaking chemical dependency treatment center for teens struggling with drug and alcohol addiction and abuse. In 1992, this mission expanded even further as Rosecrance began treating adults with substance abuse disorders. Today, their Harrison Campus in Rockford offers a number of substance abuse services including outpatient programs and maintains specialized units for young adults, veterans, firefighters, and paramedics.

In 2011, Rosecrance merged with the Janet Wattles Center, a leading mental health service provider, to truly integrate substance abuse and mental health services and better serve patients at their many locations throughout Illinois and Wisconsin. Today, Rosecrance operates more than 40 locations and serves more than 22,000 people annually.

Mr. Speaker, on behalf of the Sixteenth Congressional District, I would like to sincerely thank the hardworking men and women who have dedicated themselves to providing quality substance abuse and mental health care services. Without question, our communities and families are healthier and stronger thanks to the service and care provided by Rosecrance throughout their 100 year history.
